

HAITIANS FOR HIS KINGDOM

APRIL/MAY 2019

THE LERISSE FAMILY - MISSIONARIES ON THE ISLAND OF HISPANIOLA

It is always humbling to realize that people are watching us to follow our example, whether the example is good or whether it is bad. We find ourselves ever thankful that the Spirit knoweth our infirmities and because we are not sufficient in ourselves we walk and live by faith that our Lord Jesus will do His work in us and through us strengthening us to be the example HE has called us to be.

Souls Saved

Recently while out soul winning two teen young men, **Yimi and Maicol** were with me. In this country where **so many believe in a works salvation**, I presented the Gospel from **Romans Chapter 10**. In keeping the presentation simple, but complete, I **stayed just in Romans 10** instead of using many different Bible verses. When this young man **received the Teaching on Marriage**

For 9 years we have been preaching the Word of God in the Dominican Republic and for nine years we have lived our lives before our people **encouraging them to get married and raise a family that glorifies the name of Christ**. For a year and half we have been **teaching in Sunday school on marriage and the home**. We now have **5 couples who have committed**

assurance of his salvation, Yimi and Maicol were so excited at what they had just learned, being able to present the gospel so simply and clearly from just one chapter. Beloved also has been used of the Lord to preach the gospel with our teen girls leaving them an example as well of preaching the gospel to every creature. In our personal efforts, the

themselves to Christ and who want to obey the Lord in marrying their partners. In July, Lord willing, two couples will get married and then two are scheduled for August. This is such a **victory** when you consider the devilish **strongholds against marriage and fidelity** that have **imprisoned our people for so long. To God be all the glory**.

Lord used us to see 16 people come to Christ in May.

Grow and Serve Mentorship Program

We are now preparing for the **summer mentorship program** of our church where we pull our young people in even closer in order that **they may follow us, work with us, learn from us, and play with us** with the ultimate goal being that they would **follow us right into the presence of Jesus Christ**. That they would **see Him** in the everyday hustle of life and **find Him beautiful**. That they would **see His love for them and care for them**, and

vision for them through our example and our lives. We need the **prayers of our partners** and **we need sponsors**. As we transport and feed the kids daily and provide work for them to do, we need sponsors to assist us in this program. Each child will be working to earn \$75 to **pay for their camp cost**, \$50 to **help them get**

uniforms and supplies for the upcoming school year, and then \$50 per child to cover their **expenses for transportation and daily meals** for the summer.

Thank you for your faithful support, effectual prayers, and active participation in the work of the Lord on the Island of Hispaniola.

Occupying till He comes,

Biz and Beloved Lerisse
