## THE LERISSE FAMILY - MISSIONARIES ON THE ISLAND OF HISPANIOLA

*"It takes teamwork to make the dream work"* a wise man has said; and even as our Saviour raised up a team of disciples to partner in His great work, we have seen and experienced in our own ministry the blessings, strength and productivity that teamwork produces.

### Soul Winning by Our Teen Young Men

Among our church membership we have about 20 teen young men. It is a challenge to keep them productively occupied and on the right track. Two days a week I coach them in soccer and use that opportunity to teach character. Many of them are in Beloved's Saturday ESL class where she uses ESL as a vehicle to teach character and Bible truths. Recently, our young men on had an idea.

Instead of using their recess time at the public school to play, they decided to use that time to witness to their classmates. How my spirit was encouraged as they stood in a

church service recently to testify of the number of classmates that have received Christ as their Savior. These young men have begun going out soul winning on their own time and have bought several visitors to church.

## 2<sup>nd</sup> Annual Missions Conference & A Revival

In **February** missionary to Canada, Brian Johnston and his son Eric came here to preach our **2<sup>nd</sup> annual missions**

**conference**. The messages were right on target and we know that a great work was accomplished because our **missions' giving has been consistently doubled** over the same time last year and the tithes and offerings have been faithfully contributed to the local church. As a team the **Living Baptist Church is spreading the**

**Gospel to other nations.**

In **March** Pastor Kneppshield and a group from South Haven, MS **preached a revival** for us and brought many helpful teachings on technology and how to be wise concerning the use of the internet. The teachings were so timely. Our young and old people were struggling in this area. **God knew what we needed and He used His servant to meet our needs.**

## Our Homeschool & Summer Camp Prayer Requests

Beloved and the children are continually busy with home school and it is a constant battle to stay on track, to stay focused and to keep the children focused. Homeschooling is not for the faint of heart! We are still praying for help in this area. **We are asking God to raise up a ministry minded, spirit-filled, flexible, like-minded servant of God to help in this area of schooling our six children.**

Finally, we are in praying and planning mode for our summer schedule. We are praying **for a team that would be willing**

**and able to come and help us with our summer camp.** Last year our young people were helped tremendously by the preaching and teaching of the people from North Star Baptist church. They **learned many crafts** that our girls have used since then to help them bring in a little money. The young men learned many of the **basics about mechanics**, and the preaching was just what we all needed. **It would be a blessing to our people to see and hear other like-minded Christians preaching and living the holiness of God in a messed up and**

**wayward world.** Please **prayerfully consider** if the Lord would use your church for this endeavor this summer.

---

**Thank you** for consistently praying for us, supporting us and encouraging us in this work among the Islanders of Hispaniola. We are thankful that we all get to be on the same team serving our great Captain!

**Looking for His return,**
