THE LERISSE FAMILY - MISSIONARIES ON THE ISLAND OF HISPANIOLA

Dear Praying Friends,

Thankful for Ministry Partners

We are **thankful for the partners that our Father has provided to work together with us in the gospel ministry.** Our Lord Jesus is the only hero, and in His kindness he allows us all in on His great work. An example of that partnership was illustrated

through our **Summer Grow and Serve Mentorship program.** Many sponsors helped our young people to attend **summer camp and earn the money for their school supplies.** At the beginning of August the **Lord used Bother Tom Tolbert and his team** to help us with the preaching, teaching,

singing, and playing during our camp. **Many decisions were made by the young people** and many thanksgivings were offered up to heaven for the blessings and results of a **grand partnership with supporters for the cause of Christ.**

God is Raising Up Laborers

Also this month in answer to pray for the need, the **Lord sent**

Brother

Nehemia to help in the work in the DR. Reached many years ago in the Saint Marc church, trained by the late

Missionary **Bob Johnston, Nehemia and his wife and son** came right in time **to assist me in the ministry in the DR,** holding the reigns while my family and I made plans for our furlough. **God has also raised up Jimi as a**

partner. Once the son of a witch and wizard, **now the son of God,** he was **saved through our soccer program,** recently graduated and has given his life to the gospel ministry. **We praise God for raising up laborers for His work on the Island of Hispaniola.**

Souls Are Being Saved

In September we flew to the States to begin furlough ending our third term of missionary service. We have been busy visiting and soul winning with friends and pastors, singing,

preaching, and traveling as a family. One young lady that I was able to witness to in Alabama has a little brother that had been attending church periodically on the church van. I was able to

sweetly lead her to a saving knowledge of Jesus. **In the DR church souls are coming to Christ, in the St. Marc church souls are coming to Christ and in the States souls are coming to Jesus.**

Furlough

The **objectives of this furlough** are three-fold: We need more **partners supporting us and praying for us.** We have many young men and ladies graduating from high school and have surrendered to God's will for their lives. We need to **raise support to begin a Bible college** to prepare these young people for the work that He has for them. Next, **we need to raise the support to purchase 2 diesel engine buses** for

the DR church and for the church in Saint Marc allowing us to increase our outreach and providing ministry opportunities for our people. Last, we need to **raise the support to begin the construction project for the church and dorms in the DR.** For more information, our update video can be viewed on YouTube at the following link:

PLEASE PRAYERFULLY CONSIDER PARTNERING WITH US.
