The Lerisse Family - Missionaries on the Island of Hispaniola

Dear Praying Friends,

Just as Abraham's servant stepped out in obedience to his master and faith in his God to accomplish the mission for which he was sent; so have my family and I set out in obedience and faith to accomplish God's will concerning our furlough in the States. And we believe that while we are in God's way that HE will lead us and provide so that His mission for us is accomplished.

Being in the way the Lord lead our family to Athens, AL to preach for Pastor CW Kennedy. While checking out of the hotel, I was able to lead the receptionist to Christ. Afterwards I went to get my wife to take her to meet this new believer and to give the lady a chance to confess before someone what she had just done. I introduced my wife to her and asked her to tell my wife what had just happened in her life. She joyfully declared, "I just believed on Jesus and was saved."

Being in the way, the Lord lead our family to North Carolina to be with Pastor Billy Sechrist and long-time friend Evangelist Craig Bryan. While with these men of God we were able to raise \$10,000 toward our building project and were able to join the Ron Middleton Missions Outreach Ministry founded to help missionaries assist national pastors as they plant churches on the field. By the grace of God two Haitian pastors who have already begun the foot work of planting a church will be able to have their families supported so that they can be full time in the work of the Lord!

As Abraham's servant prayed for the leadership of God in the task given him, please help us to pray specifically for two diesel engine buses for the church in the DR. Having these buses will enable us to spread farther in preaching the gospel and will provide ministry opportunities and training for the believers in our small community to go beyond their village reaching souls for Christ.

I being in the way, the Lord lead me,

Biz Lerisse
