

# HAITIANS FOR HIS KINGDOM

THE LERISSE FAMILY  
MISSIONARIES ON THE ISLAND OF HISPANIOLA

December / January 2021

Dear Praying Friends and supporters,

December found us finishing up our Lerisse family readathon fundraiser, persevering against persecution, rejoicing in the coming of our Savior in the flesh, and winning Haitians for His Kingdom. God is good, He is faithful and He reigns in the kingdom of Men!

For the 7th time, Beloved led the children in our annual readathon project to raise funds to finance our Christmas program. During Christmas clothes and/or shoes are purchased for our church children, a tremendous meal is shared, and hearts rejoice together in the goodness of the Lord. The Lerisse children were blessed as well as they made tremendous decisions for the Lord as a result of the Holy Spirit using the prayerfully selected books that they read. This year the Lord touched hearts and enough money was raised to cover the Christmas project and finance new outreach ministries for the year that will add souls to God's kingdom and to the account of investors.

Also during this time, the bar across from our church has been continuing in their ways. The loud blaring music during services has been a persecution. In our church we have prayer teams praying during the preaching believing God for victory. Presently the country is under a 5pm curfew on the weekends, so the bar is closed and evening services are done at our home and online. **We are in the middle of a building project** that would put us in our own building away from the persecution of the bar; and we are praying fervently for the resources needed to complete this project by June.

Please strive, partner, agree with us in prayer that we could raise the remainder \$90,000 needed for the completion of our building. We began with \$25,000 and the work is presently underway. We are believing God to do what only Almighty God can do: to touch and move the hearts of His people for the fulfilling of His purposes.

A young man in our church has been very burdened for his family members back in Haiti. Since attending our church, he learned the only way to salvation and is eager for his family in Haiti to also know The Way. He took a two-week trip back home after being away for four years. My heart rejoiced as he sent pictures back to me of soul after soul coming to Christ during his visit. The young man Jimmy in our church, who is the son of a witch doctor and the protege of our late assistant pastor, was enabled to see his sisters come to a saving knowledge of Jesus Christ as well. God is adding souls to HIS kingdom.

Living for Jesus,
